

Health and disability

Unit 7

Resources

*The following list should not be seen as definitive neither should it be seen as required reading. It is intended to be a selection of useful texts and articles. The texts indicated with an * are more appropriate for teachers.*

Some of the resources referred to in the health and disability units are detailed below.

Annandale, E. *Liberation: A danger to women's health?* Sociology Review 2008

* Annandale, E. *The Sociology of Health and Medicine: A Critical Introduction*. Polity, 2005
